

The Primary PE and Sport Premium Plan 2024-2025

Schools should prioritise PE and sport premium spending to improve in the following 5 key areas:

1. increasing all staff's confidence, knowledge and skills in teaching PE and sport
2. increasing engagement of all pupils in regular physical activity and sport
3. raising the profile of PE and sport across the school, to support whole school improvement
4. offer a broader and more equal experience of a range of sports and physical activities to all pupils
5. increase participation in competitive sport

Income: Schools with 17 or more eligible pupils receive £16,000 and an additional payment of £10 per pupil. $£16,000 + (112 \times £10) = £17,120$
