

### **Missing Children Policy**

Our Club has the highest regard for the safety of the children in our care. Staff will always be extremely aware of the potential for children to go missing during sessions.

Even when all precautions are properly observed, emergencies can still arise. Therefore, members of staff will be undertaking periodic head counts, especially at the transition points between sessions (in addition to the registration procedures set out in the Arrival and Departures policy). If for any reason a member of staff cannot account for a child's whereabouts during a session at the Club, the following procedure will be activated.

The Manager, the Headteacher, and the rest of the staff team must be informed that the child is missing.

A thorough search of the entire premises will commence.

The staff team will be careful not to create an atmosphere of panic and to ensure that the other children remain safe and adequately supervised.

The Manager/ person in charge of the session will nominate as many members of staff as possible to search the area surrounding the premises.

All staff will be extra vigilant to any potentially suspicious behaviour or persons in and around the Club.

If after 10 minutes of thorough searching the child is still missing, the Manager will inform the police and the child's parent/carer.

While waiting for the police and the parent/carer to arrive, searches for the child will continue. During this period, other members of staff will maintain as normal a routine as is possible for the rest of the children at the Club.

The Manager will be responsible for meeting the police and the missing child's parent/carer. The Manager will coordinate any actions instructed by the police and do all they can to comfort and reassure the parents/carers.

Once the incident is resolved, the Manager and the staff team will review relevant policies and procedures and implement any necessary changes (paying particular note to the relevant provisions of the Club's Site Security and Risk Assessment policies).

Support will be offered to staff members involved in any such incident.

All incidents of children going missing from the Club will be recorded on an Incident Record Sheet, and in cases where either the police or Social Care have been informed, Ofsted will also be informed, as soon as possible.
